

**Project Youth 2 Youth:
Youth creative thinking as entrepreneurial input**

**CALL FOR YOUNG ENTREPRENEURS
Recruitment of young people participating in the project**

The transnational partnership composed of the following European Organisations: **FAMP** Federacion Andaluza De Municipios Y Provincias, based in Sevilla, Spain; **UBBSLA**: Union of Local Authorities of the Black Sea, based in Varna, Bulgaria; **AMS**: Associazione per la Mobilitazione Sociale ONLUS, based in Palermo, Italy, is going to promote a contest for young people, aged between 18 and 30, women or men, living in the Municipalities of the partners' countries. For each country we attend to select 6 young people (18 as a total)

Young people will be selected to access to the following actions:

- A1. Blended mobility and training – young people will be trained in the topic of entrepreneurial skills, creativity, and communication for business. The training is composed by a physical part in Italy (Palermo), lasting 10 days and by a virtual section lasting 40 days that will be developed online. During the training many information and competencies on entrepreneurial skills, abilities and technical aspects will also be given (how to create a business plan, how to improve and promote an entrepreneurial idea).
- A2. Participation into the Y2Y platform of ideas: young people trained will present their entrepreneurial idea in the Y2Y European platform, there they can work in group with European colleagues to improve their ideas and share them and to deepen the Y2Y approach
- A3. Opportunity of participating to the promotional initiatives of matching the ideas with the European Stakeholders and enter into the European circuit of young enterprises

Participation Requirements

In order to participate, young people must present an entrepreneurial idea based on a free-topic (rural areas, innovation and technologies, social, web, trade, communication, health and welfare, agriculture, tourism, etc.) according to the following format (attached below)

The Y2Y entrepreneurial ideas must be: innovative, young-friendly, sustainable, creative.

Business ideas can be represented by groups, but only one representative can participate to the training and to the other phases of the activity.
